

Hilary Druxman Partners with the Lymphedema Association of Manitoba

Hilary Druxman is a top Canadian jewellery designer from Winnipeg, Canada. Druxman not only designs and creates fabulous jewellery, but she is also a proud philanthropist and gives back to the community in the form of partnerships with many organizations. Most pendant necklaces retail for \$40, with 100 percent of the net proceeds supporting the partner organization.

Hilary Druxman makes philanthropy pieces that are sold in support of local charities and businesses, including The Children's Hospital Foundation, Winnipeg Harvest, Nine Circles Community Health Centre, Never Alone Foundation, WSO, Assiniboine Park Conservancy, and many more. Druxman says that each custom piece, be it for a charity, business or individual, evolves from the same process. It revolves around discussion about the organization and their purpose.

We feel very honoured that Hilary Druxman has partnered with the Lymphedema Association of Manitoba to design a piece representative of our *journey*.

It is a journey of ups and downs; it's hard and good all at the same time. None of us expected to be on this path. The LAM symbolizes the stepping stones taken to help those affected with lymphedema on their own personal journey; raising awareness, providing support, information and education.

Hilary is vibrant, enthusiastic and caring. The philanthropic aspect of her company has many things in place to truly help its partners. [The LAM is proud to promote our beautiful sterling silver necklace](#) created with love by such a remarkable lady. Please contact the LAM to purchase your necklace or visit the Hilary Druxman store at 1-258 McDermot Avenue, Winnipeg, Manitoba or her website at www.hilarydruxman.com.

Thank you Hilary!
